# STAND-UP POUCHES 1 to 5 LITRES

## CLEVER DESIGN

Sealing shapes and strong foils provide a very high resistance to drop tests. The stand-up behavior is perfect thanks to the side gussets. Global occupied space is optimized by 20% in comparison with doypack shape pouches.

## FEATURES AND BENEFITS

- Variety of foils and caps  
- **solution for every application**  
Aseptic filling - Sterilization
- Side gussets  
- **compact shape**  
Aseptic filling - Sterilization
